Hi Folks

### **FROM THE SICK BAY**

**Dick Tyson** – I understand that Dick Tyson is unwell and in Ward 14, Auckland Hospital.

**Gordon Cattermole** – Mole is unwell and is in Ward 15, Northshore Hospital.

We wish both our members all the best and a comfortable stay in hospital.

### **NGAPONA ASSN MONTHLY LUNCH**

**Please note** – the venue for the lunch on Friday, 18 August has been changed from Hobsonville RSA to the Panmure RSA, 104 Queens Road, Panmure (the old BNZ building). This RSA has only recently relocated from the pub opposite and they are keen to make a good impression. Lets have a good turnout to support them.

### **NAVY CLUB**

The Navy Club AGM will be held this Saturday, 12 August 23, at the Remuera Club at 1030hrs.

### **FROM THE EDITOR**

Some of you may have noticed that the weekly Ngapona Assn newsletter has been absent for the last couple of weeks. I have just returned home after having major surgery and I am now back at my computer. The weekly newsletter has gone out every Monday for the last ten years and has now become an onerous task for me each week. I have sought some assistance, but after talking with the committee it has been decided that the newsletter will now go out on a monthly basis, the Monday before our monthly lunch. I have spent many hours researching material for the newsletter and I have learnt a lot about things maritime/military, and in many ways I will miss the Monday nights at the computer.

I hope you have enjoyed the weekly dits and look forward to keeping in touch on a monthly basis.
